

CLEM LEE
Energy Solutions Manager
Pacific Gas & Electric
707-577-1018, c1lt@pge.com

Clem has worked in the wine industry for over 39 years with responsibilities in winery maintenance and engineering. His career began in the Central Valley and for the last 32 years in the North Coast. As a PG&E customer, Clem worked directly with Account Managers to identify and implement energy efficiency opportunities at both large and small wineries under his responsibility. Clem brings his winery knowledge and experience to PG&E as an Energy Solutions Manager specializing in the wine industry.
