**Rodgers Agricultural Consulting**  
**707-621-4800, [rodgersag@att.net](mailto:rodgersag@att.net)**

2011 will be my 27th grape harvest in Mendocino County, having been a foreman and manager for Turula Vineyards/Ukiah Vineyard Associates, Roederer Estate and Saracina Vineyards. I've also owned my own vineyard and since 2006 have been self-employed as Rodgers Agricultural Consulting, doing consulting and management for 175 acres of winegrapes and olives in Mendocino, Lake and Nevada counties.
