FOR IMMEDIATE RELEASE

JANUARY 10, 2012

JAXON KEYS WINERY OFFICIAL WINE SPONSOR FOR EVENT OF THE HEART

Jaxon Keys Winery will be the official wine sponsor of Event of the Heart 2012. The Mendocino County AIDS/Viral Hepatitis Network (MCAVHN) is hosting their 25th annual dinner to support their mission of stopping the transmission of HIV/AIDS and Hepatitis C. The event is called "Silver Linings" and will be held Saturday February 11th at the Ukiah Valley Conference Center.

Jaxon Keys has helped many organizations raise funds to support their programs, including their annual Run the Ranch event to benefit The Gardens Project of NCO, donating all proceeds from the 5k run/walk through their ranch in Hopland to help teach people how to grow their own food. On Hopland Passport Weekend October 22 & 23 they donated 5% of sales and \$5 for every wine club member signed up to the Susan G. Komen Foundation to battle breast cancer. The winery is located 3 miles north of Hopland at 10400 So. Hwy. 101. For more information visit their website at www.jaxonkeys.com or call (707) 462-6666.
